You can reach our plant in Sas van Gent trough the Belgian Liefkenshoektunnel and trough the Dutch Westerscheldetunnel.

Trough the Liefkenshoektunnel:

Follow the A4 and the Belgian A12 towards Antwerp. From Antwerp follow direction Brugge. You will go trough the Liefkenshoektunnel. After the tunnel take the E34 towards Zelzate/Brugge. Take exit Zelzate Oost and turn right towards the Netherlands. After crossing the border, turn left at first traffic lights. At the roundabout turn right and then take the second road tot the left. This is the Nijverheidsstraat.

Trough the Westerscheldetunnel:

Follow the A58 towards Goes / Vlissingen. Follow the signs tows Terneuzen (Tol). As soon als you come trough the Westerscheldetunnel follow the signs towards Sas van Gent (N252). You will enter Sas van Gent by the Westkade. You will see the Nedalco Plant on your righthand side. Turn right towards the Nijverheidsstraat.
